Trashing Your Cardboard

Cardboard boxes are bulky and take up a lot of room in your trash.

The area's leading waste managers charge up to \$220 in extra pick up fees each month.

That means trashing your cardboard is costing you over \$2,500 extra a year!

The United States alone throws away 1 billion trees worth of cardboard every year.

Recycling Your Cardboard

We service over 500 high capacity cardboard recycling containers.

We can pick up your cardboard as needed based on volume.

Containers are tidy and compact. There is usually room in the trash corral you already have!

Our containers show customers that your business is eco-friendly!
